

Maps Overview

This sequence of images shows the route of the Antonine Wall through Central Scotland from Old Kilpatrick on the River Clyde to Carriden on the River Forth. For maps of walks and trails along the canals close to the Falkirk Wheel and for the wider area in and around Falkirk please register and login and view the 'download files' section.

The images shown below have been extracted from the www.streetmap.co.uk website and are presented here for your convenience. For the full picture please visit their website
